Dear Colleagues,

ADITI (Association of Dental Industry and Trade of India) is committed to ensure that its members attain the highest professional standards by regularly updating their knowledge and industry information through frequent professional training initiatives and through events like Expodents. Expodents are mega events organized at least four times a year at different parts of the country with an aim to bring together members of various groups of the industry including Dental specialists, Practitioners, Technicians, Students and also the Manufacturers and Distributors of Clinical and Laboratory Dental Equipments, Instruments and other materials.

Encouraged by the success of earlier Expodents conducted at various cities and keeping in line with the objectives of ADITI, the Expodent 2023 will be organized on March 11th & 12th, this year at Chennai Trade Centre, Chennai by ADITI South Zone. The event has been proposed to encourage the Dental Traders.

Chennai has 15 Government Hospitals and a large number of private hospitals that provide complete healthcare including Dental Care. In the state of Tamilnadu and Pondicherry, there are 32 Dental institutions from which around 3000 students (both under graduates and post graduates) pass out every year. Chennai is now home to a large number of dentists, dental clinics and hospitals that offer a range of services catering to increasing demands due to wider awareness of Dental Health.

We are highly confident that Expodent 2023, Chennai would bring together huge and enthusiastic participation of members of the entire dental fraternity consisting of dentists, professionals, teachers and students of dental colleges, experts from industry and trade, and set high standards in their deliberations and event proceedings. Expodent 2023, Chennai will also offer a platform for the entire dental professionals and students to come and learn about the new technologies and innovations that are coming up in this specialized field.

Expodent 2023, Chennai would certainly be a useful and successful platform for our members to get together, interact and share their expertise and experience for the well being of humanity in the field of Dental Health. With such a great mission up front, Expodent 2023, Chennai is sure to prove to be a great show. We request all of you to take part wholeheartedly and make this event a grand success.
