REGD. NO. S/20884 OF 1990

Invitation

Dr. B. Subhaschandra Shetty | MDS
President - Aditi

Mr. Rajiv Seth
Chairman-Expodent International India

TO ALL MEMBERS OF THE DENTAL FRATERNITY

It is with great pleasure that we at ADITI speak to you again. You are right, we are talking about **EXPONENT INTERNATIONAL INDIA, NEW DELHI between 23rd to 25th Dec. 2016**. Modern Management speaks about 'Re-inventing oneself', which basically means that one has to be dynamic and keep pace with the times, since remaining static is nothing but going to seed and into oblivion. This is precisely the philosophy of ADITI. 'KEEP GROWING, DISSEMINATE THE CURRENT INDUSTRY TRENDS AND PARTNER THE GROWTH AND DEVELOPMENT OF ALL'.

To keep track of the present day scenario, get acquainted with them, engage with industry experts and transfer the information to everybody at large is no easy task. But that is the motto of ADITI. With increased awareness about oral hygiene and well being among both laypersons and dental professionals, there is a robust expansion in the field, with emphasis on technology in preventive, cosmetic and conventional dentistry. This is not to discount the importance of the human touch in diagnosis and treatment.

Showcasing the state-of-art developments in dentistry, providing a platform for professional interaction, particularly in the background of the 'Make in India' initiative of the Indian Government, ADITI welcomes you all to this annual event. 'COME, SEE, LEARN AND GROW'. Remember to block your dates for the exhibition. Looking forward to meeting you.

YOURS TRULY,

Dr. B. Subhaschandra Shetty | MDS
President - Aditi

Mr. Rajiv Seth

Made in India. Made for the World.

Kalabhai dental plasters have been serving Indian dentistry as far back as the late 1970s. Our exceptional quality has been rewarded with global acceptance, establishing us internationally as manufacturers of best-in-class products in different dental specialties. Kalabhai has made the Indian tricolour fly high by being the first exporter of specialty dental plasters and by being the first Indian exhibitor at the world's largest dental exhibition in Cologne, Germany in 1995.
