*Dear Colleagues,*

*We are extremely happy to extend a warm welcome to Expodent Kolkata, which will be held on 14th and 15th February 2026.*

*As you are aware, Expodent Kolkata has become an eagerly awaited annual event, growing bigger and better each year. The recent shift to the Biswa Bangla Mela Prangan—a state-of-the-art exhibition centre—has greatly contributed to its success. Centrally located, well connected, and offering excellent facilities including ample parking, this venue has proven to be a boon for both exhibitors and attendees.*

*Kolkata, being the gateway to the eastern states, holds both historical and commercial importance. It serves as a hub for traders from Eastern India and neighbouring countries like Bangladesh. With the rapid growth of Expodent Kolkata, similar to Expodent International India, the event has solidified its position as a major breakthrough in the dental industry. Each year, we witness a significant increase in both participation and footfall, and we expect Expodent 2026 to be no different.*

*The Association of Dental Industry and Trade of India (ADITI), along with its national and international members, remains committed to showcasing the latest advancements in dental equipment, materials, instruments, and technologies. This event offers a win-win opportunity for traders, technicians, dentists, hygienists, and even members of the broader medical fraternity and dealers, who can benefit from exposure to cutting-edge dental solutions.*

*As space is limited, we strongly urge you to book your stall immediately to avoid disappointment.*

*We look forward to your enthusiastic participation in making Expodent Kolkata 2026 a grand success.*
